MESSENGER BOY TAKES CUP

EUGENE LUTZ' THREE-YEAR-OLD WINS FASTEST FOUR-MILE RACE ON RECORD.

Nadzu, Top Weight and Favorite of Kentucky Endurance Stakes, Keeps Victor Close Company Until Record Breaking Contest Nears End.

Louisville, Ky., October 7.—Eugene Lutz' three-year-old, Messenger Boy, accomplished today what no other racer of his years has been able to do in the last decade, namely, score at four miles over older opposition. He triumphed in splendid fashion in the much-coveted Kentucky Endurance Stakes over Nadzu and Royal Report, and also established a new American record for the distance when he came home in 7:14½. Lucretia Borgia, against time, made a mark of 7:11 with pacemakers, but never has Messenger Boy's time been approached in actual contest. The race was a splendid spectacle between Messenger Boy and Nadzu for the last two miles. Previous to this, Royal Report had essayed the role of pacemaker and flattered the hopes of his backers. His lead, however, was only on sufferance, as Messenger Boy and Nadzu left him with apparent ease at their rider's call.

Messenger Boy flashed into the lead passing the second mile, but Molesworth, his rider, did not intend to cut out the pace and, taking a restraining hold, contented himself with staying close to Nadzu, which had taken the role of leader. Close order was maintained by the pair until the last half mile, when it became apparent that Nadzu was weakening and the younger horse, though himself tiring, overhauled the Bedwell representative in easy fashion and ultimately drew out to win by eight lengths. Royal Report faltered badly in the last mile and brought up a full furlong behind Nadzu. Aylmer, the only other starter, broke down after going two and a half miles and was dismounted. The net value of the stake to the winner was $3,780 and a gold cup donated by the Kentucky State Racing Commission worth $1,000. Nadzu's share was $1,180 and Royal Report's $580, the latter two taking respectively twenty per cent. and ten per cent. of the $5,900 purse.

Unmindful of the cold and threatening weather, an immense attendance, second only in size to that of Derby day, was at the Downs, eager to witness the four-mile racing. There was a predominance of old timers, among them some who had not been to a race course in ten years. To them the Endurance Stakes recalled racing of old. They lived in the past and told and retold of the struggles of Ten Broeck, Mollie McCarthy, Gray Eagle, Lexington, Lecompte and other racing veterans of over thirty years ago. They mentioned the names of the racers reverently and again recalled the time when they were all assembled at the same track to witness the now historic race between Ten Broeck and Mollie McCarthy. Going back thirty-three years was as nothing to them. They spoke of it as if the match had taken place yesterday.

The younger generation listened to the old-timers with respectful attention, but intent on picking the winner. To them the vital question was whether Nadzu would be able to pack 124 pounds over the trying route or would he succumb to his younger and lighter-weighted rivals? Royal Report and Aylmer never entered seriously into calculations. To the more experienced horsemen, as well as race followers generally, Nadzu loomed as the one most likely to pull down the plum. It was known that he had been given a thorough preparation for the race, while a doubt as to Messenger Boy's fitness to go four miles was expressed. It was also argued that it was against precedent for a three-year-old to succeed at the distance over an older horse.

The human side cropped out during the running of the race and sympathy was all for Messenger Boy in the last mile and a half. When it became apparent that he would win the cheers of the spectators grew in volume. To the owner, the stakes took on the proportion of a fortune. It was common rumor before the race that he had to borrow the $250 starting fee. Mr. Lutz' confidence in his horse's prowess was superb. To those who asked him while in the paddock he had the same answer.

"I expect to win by about an eighth of a mile, and if it is necessary Messenger Boy will run the four miles in 7:12." He was all smiles after the finish and choked with emotion when George J. Long, representing the Kentucky State Racing Commission, rendered him the gold cup. He found voice to express thanks to Mr. Long and immediately rushed away to superintend the cooling out of his horse.

The other races were overshadowed by the Endurance Stakes, the first three only serving to whet the appetites of the spectators. The ceremonies attending the finish of the four mile race made it rather late and additional time was wasted in the fifth race by the runaway of Rhasneth, making it almost totally dark for the decision of the closing number. It was impossible to distinguish colors in it on account of the darkness.

Governor Willson of Kentucky was among today's distinguished visitors. Messrs. Long, Clay and Camden of the Kentucky State Racing Commission were his fellow-guests of Charles F. Grainger, at a luncheon given this morning at the Pendennis Club.

Geo. J. Long, J. N. Camden, Catesby Woodford and Frank H. Brunell witnessed the running of the Endurance Stakes from the judges' stand.

The program book of the Latonia Jockey Club was distributed among the horsemen this afternoon and met with general favor. No purse is of less than $500 value and it is suited to all classes of horses. Secretary Maginn and track superintendent Keegan will arrive here next Monday to receive applications from horsemen for stable room and assign space.

PIMLICO MEETING OPENS AUSPICIOUSLY.

S. C. Hildreth Saddles Two Winners at Prohibitive Odds—Full Limit of Thirty-Five Layers in Line.

Baltimore, Md., October 7.—The fall meeting of the Maryland Jockey Club opened today before a large crowd. Considering the wintry weather that prevailed, the attendance was remarkable and especially so in view of the opposition at Laurel. Pimlico never looked prettier and the club house contingent was out in force. Superintendent Brennan had the track in splendid condition and good time was recorded. Form was well observed, five of the seven races being won by the favorites.

S. C. Hildreth saddled two winners, Priscillian in the first race and Restigouche in the third. The Hildreth horses look to be in splendid condition and their owner evidently did a wise thing in resting them during the past six weeks.

Priscillian simply cantered in his race and E. Dugan had him under a strong pull at the finish. This good racer was at no time during today's race fully extended and he is evidently as good just now as at any time in his career. Restigouche also had an easy task in defeating the lot he was asked to meet in the third race. Like Priscillian, he led all the way and was only cantering at the end. C. H. Shilling had the mount.

The best finish of the afternoon came with the running of the second race, a dash of five and a half furlongs, for two-year-olds. Light O' M' Life and Cherry Seed fought it out all through the homestretch and just when the latter loomed the likely winner, he quit and under a vigorous finish by McTaggart, Light O' M' Life got up to win by a nose.

The full limit of layers allowed by the club—thirty-five—cut in and speculation was lively. The following is a list of the bookmakers in line: M. Harris, Lee Wagner, C. Walters, I. Ham, Eole Pearsall, Max Marks, E. J. Ryan, W. W. Beverley, P. J. McGrath, Bob Kennedy, Jack Shelly, M. C. Lewis, H. Hanff, Geo. Zeller, Roy Offutt, J. Spillane, Frank Tyler, J. M. Coburn, George Cafferetta, Clark & Regan, I. L. Howard, Al. Herford, L. Cockrell, S. Asherman, George Parrott, H. Shopps, Sam Frank, J. P. McInerney, Ed. Colell, P. J. Shannon, E. J. Callahan, Leo Mayer, Al. Hanff, C. B. Walters, and Geo. Howard.

Rob Levy came over from Norfolk. Every prominent owner in the east has asked for stable room at the Jamestown track and reservations have been made for the following: S. C. Hildreth, R. T. Wilson, Capt. E. B. Cassatt, James R. Keene, Thomas F. Ryan, August Belmont, Harry Payne Whitney, P. S. P. Randolph, H. G. Bedwell, Beverwyck Stable, J. W. May, Frederick Johnson, W. Astor Chandler, R. E. Watkins, David Gideon, James Fitzsimmons, Thos. Lynch, William Garth, Ral Parr, A. B. Gallaher, Capt. P. M. Walker, Paul Fox and John Hynes.

William Garth has purchased from S. C. Hildreth the horses Joe Madden and Woodcraft. The former was gelded yesterday and will be shipped to Mr. Garth's farm in Virginia.

Emerald Isle and Wrap, in the Simons Stable, are down with fever. The latter is in a bad way and probably will die.

R. T. McKeever is back from a short visit to France. He found his jumper Sanctus in a bad condition on arrival there and disposed of him for $600. De Mund, which went wrong in the spring, is galloping again.

Dates for a meeting at Marlboro have been announced for November 2 to November 11.

After many years' absence from the turf Jack McCauley will re-engage in the sport, having arrived here a few days ago from Kentucky with Electioneer, the Futurity winner of 1906. Old-timers will remember Mr. McCauley as the rider of Eclipse when that horse was about as shifty an animal as sported silk during the days of racing at Guttenberg and Gloucester. He also piloted to victory on many an occasion Nellie Bly, which has lately again become famous as the dam of Round the World.

AMERICAN HORSES OFF FOR AUSTRALIA.

Lexington, Ky., October 7.—The first twenty-five of the nearly two hundred thoroughbred horses that are to be exported to Australia during this month left Lexington for San Francisco by express this afternoon. They are the nineteen head purchased by Andrew Robertson, representing the Allendale Stock Farm, which is located at Mentone, near Melbourne, Australia, and the six head purchased by Dr. Maurice M. Leach, a native of England, who for a number of years has practiced veterinary surgery in Kentucky, but who is now going to Australia to branch out as an owner of racers. The Robertson list is composed of the following:

Planudes, b. h. 14, by St. Simon—Lonely, by Hermit.
The Scribe, b. h. 10, by Isinglass—Memoir, by St. Simon.
Flora, b. f. 3, by The Scribe—Flora Pomona (an Oaks winner).
Chestnut gelding (half brother to W. H. Daniel) 2, by The Scribe—Colleen.
Chestnut gelding (half brother to Shannon), 2, by Planudes—Lambent.
Bay gelding, 2, by The Scribe—Caprice.
Chestnut filly, 2, by Planudes—Saratoga Belle (dam of the good horse Fayette).
Chestnut filly, 2, by Planudes—Origin.
Bay filly, 2, by Planudes—Golden Drop.
High Brow, ch. f. 2, by The Scribe—Tanawha.
Brown gelding, 2, by Planudes—Ivory Bells.
Chestnut colt, yearling, by The Scribe—Semiramis.
Chestnut gelding, yearling, by The Scribe—Wit full.
Bay colt, yearling, by The Scribe—Froken.
Bay filly, yearling, by The Scribe—Partridge.
Bay filly, yearling, by The Scribe—Lady Premier.
Bay filly, yearling ,by The Scribe—Izeyl..
Bay filly, yearling, by Planudes—Lucky Piece.
Brown filly, yearling, by Planudes—Obia.

All of these, with the exception of Highbrow, which was purchased from T. C. McDowell, and the yearling out of Izeyl, which came from E. R. Bradley's Idle Hour Farm, were bought by Mr. Roebrtson from John E. Madden and they were bred and foaled at Hamburg Place, with the exception, of course, of the two stallions, Planudes and The Scribe, both of which were imported from England. The six belonging to Dr. Leach are:

Keswick (brother to T. S. Martin), b. g, 3, by Fatherless—Sanci.
Nimble, b. f, yearling, by Hastings—Niminy.
Bay colt (half brother to Follie Levy), yearling, by Ormondale—Ridicule.
Chestnut colt (half brother to Frank G. Hogan and Golden Wedding), yearling, by Stalwart—Wedding Day.
Brown filly (half sister to Passenger), yearling, by St. Avonicus—Grail.
Brown filly, yearling, by Out of Reach—Osee.

Mr. Robertson left here last night for San Francisco to be on the ground and have everything prepared for these horses when they arrive at the Oakland race track, where they are to be quartered until October 25, when they are to be put aboard a steamer for Australia. Dr. Leach and John Headley, who has signed a three-year contract as trainer for Mr. Robertson, went on the train with the horses. The trip from San Francisco to Melbourne will occupy about twenty-three days.

The next shipment will be that of Irving H. Wheatcroft's entire St. James Stud. It will embrace ten stallions and 133 broodmares, weanlings, yearlings and four or five horses that have lately been in training. They will leave here next Tuesday, October 12, on a special freight train of nine cars, and will pick up one car containing sixteen mares from Barney Schreiber's Woodlands Farm in Missouri at St. Louis, making a total of 169 head in the shipment that will leave Vancouver, British Columbia, on a steamship of the Canadian—Australian line about October 28. The trip from Lexington to Vancouver will occupy eight days and the horses will have a rest of eight days at Hastings Park before going aboard the steamship for the long trip to the Antipodes.

The stallions that Mr. Wheatcroft is taking are St. Savin, Cesarion, Kismet, Don Royal, Mexican, Leonidas, Green Seal, Marlborough, King Broomstick and Embracer. The last named two are just out of training. Mexican and Leonidas, along with about twenty mares, were purchased from Colonel Milton Young, of the Kentucky State Racing Commission.

It is Mr. Wheatcroft's intention to dispose of all of these thoroughbreds by public auction next March and he has arranged for a place near Sydney at which they are to be quartered until they are sold. Mr. Wheatcroft gives up his lease on Oakwood Farm with the shipment of these horses, and Mrs. Charles F. McMeekin, the owner, will again occupy the farm. She intends to employ it as a boarding place for blooded stock.

Mr. Wheatcroft will go to Australia, accompanied by his wife and young son, on a faster steamship than that which takes his horses, and will be there ready to receive them. He will remain in that country until next spring, when he will return to the United States to attend to his banking interests and other enterprises, which meanwhile will be left in charge of his private secretary, Edwin C. Ruff. The old mares at Oakwood Farm are to be sent to the Wheatcroft mule ranch in Oklahoma. The only horse that will be left in this country to carry the Wheatcroft colors is Woolwinder. He belongs to Mrs. Wheatcroft and she would not listen to his being sold or shipped abroad. She turned him over to Harry McDaniel, who now has him in his string at Louisville.

It is quite probable that upon his arrival in Australia, Mr. Robertson will complete arrangements for selling in that country a consignment of thoroughbreds from the Kentucky establishments of J. N. Camden and Catesby Woodford. Tentative plans for such a shipment have already been formulated.

PLATE GLASS was practically left at the post and had no chance. SIR JOHN JOHNSON ran a good race in going unfavorable to him. GUY FISHER was outpaced to the stretch, but finished fast. LAWTON WIGGINS IN GREAT FORM.

Burttschell Racer Wins Another Stake at Laurel—Layers Have Profitable Day.

Laurel, Md., October 7.—Although the opening of the Maryland Jockey Club's meeting at the Pimlico track, this afternoon, no doubt took many of the regulars away from Laurel, and the weather was anything but inviting, as rain fell until after the time for making the trip to the track, the crowd that visited the track was surprisingly large.

The course was made heavy and slippery by the rain, and this caused some withdrawals.

The stake attraction for the day was the Baltimore Handicap, for three-year-olds and over at one mile and a sixteenth, and J. W. Burttschell furnished the winner in Lawton Wiggins, winner of the Inaugural Handicap on the opening day of the meeting. Plate Glass ruled favorite and, notwithstanding that he had top weight of 127 pounds, was the best backed horse in the race. Plate Glass was on his bad behavior when he reached the gate and starter Murray gave the boys the signal to break. Plate Glass propped and was left standing at the post. Sir John Johnson and Lawton Wiggins had the race between them for six furlongs, when the first named quit and Lawton Wiggins moved into a two-lengths lead, which he thereafter held.

Joseph McLennan received word today from George M. Hendrie that the contract had been awarded for the new grandstand that will be erected at the Windsor track in Canada.

Seventeen books drew in and they must have had a profitable day of it, as most of the choices failed.

Starter William Murray sent the fields away today, in place of A. B. Dade, who officiated at Pimlico.

SPOKANE HAS ITS BIGGEST CROWD.

Spokane, Wash., October 7.—The closing day of the Spokane Fair brought out the largest attendance ever seen at a race meeting in the west. The afternoon was given over chiefly to automobile races and sports of a like character, and the thoroughbreds had only two chances to display their prowess. The first race, a five-furlong sprint, was won by Electrowan in a hard drive, with Placide and Waner. The second purse went to Cantem, which led all the way and won in easy fashion from Gramercy and Good Intent.

A fire early this morning destroyed a large number of the stables at the Fair grounds and Knight of Ivanhoe was burned to death. Smiley Metzner had a narrow escape and was so badly burned that it will be a long time ere he faces the barrier again. A large number of horsemen lost all their stable equipment.

Racing will be resumed at Alan Monday and continue for three weeks, which will end the season hereabouts.

NOTES OF THE TURF.

John E. Madden has leased Parisian and Sun Queen to T. C. McDowell for 1911.

Little Pal, Fitz Herbert, Puggins and Joe Madden have joined the Hildreth stable at Pimlico.

Mrs. L. A. Livingston will dispose of all her horses in training except Lovetie and Sotemia.

In the Prix du Ranelagh at Longchamps, in France, yesterday, W. K. Vanderbilt's Didius finished second.

The horses of E. L. Fitzgerald, most of which are sick, will be shipped from Oklahoma City to Dallas to rest for the Juarez opening.

Frank Frisbie has arrived at Pimlico with the horses of W. T. Ryan, including Pharaoh, Triple Crown, Dorothy Manners, Appassionata and Markham.

Sidney Murray has succeeded his brother, W. M. Murray, as starter at Dufferin Park, the latter having an engagement to relieve A. B. Dade at Laurel yesterday.

The stewards of the Jockey Club have tabled the application of John Powers for a trainer's license and have denied the application of George Van Benschoten for a jockey license.

F. J. Nolan, who has raced in the name of the Beverwyck Stable, is in bad health and will go abroad for a time. This explains the contemplated sale of all his horses at Pimlico soon.

Recent arrivals at Pimlico include Morris Bernard with Brandy and Hoffman, Sam Booker with Knight of Uncas and Castillian and the strings of J. L. McGinnis, Thomas Monahan and R. Miller.

Among the horses that Matt Allen is handling for C. Kohler of the Ramapo Stock Farm at Pimlico is the two-year-old filly Last Rays, by Peter Pan—Sundown, and one of the first of the get of that good son of Commando.

The Kempton Park Nursery Handicap of 1,000 sovereigns, distance five furlongs, was won in England yesterday by August Belmont's brown filly, Toggery, by Rock Sand—Tea's Over. The Songcraft—Simonsworth colt was second and Clodius third. Fourteen horses ran.

Dr. Holzberg is in a bad way as a result of having thrown out a hock in a Dufferin Park race last Tuesday. It was only the fate of circumstances that Dr. Holzberg raced at Dufferin, his owner having been unable to get out customs papers in time to ship to Laurel on Monday.

ANSWERS TO QUERIES.

J. D. Mc, Elgin, Ill. Results will be published presently.

T. T. G., Buffalo, N. Y. In dead heats the money bet is added together and divided equally between the backer and layer. Dr. Holzberg having been a 1 to 2 favorite your return is seventy-five cents for each dollar bet.

G. M., St. Louis, Mo. The transaction ended with the winning place bet on Owanux and went no farther, for the simple reason that you did not have enough money "coming" to execute the next bet in order, which would have been on My Gal.

A. May, Chicago. Corzo is a four-year-old bay gelding by Prime Minister—Sonega. He has not started this year, his last race being when he ran third in the Juarez Derby of 1910. He is or was, the property of J. C. Ferriss and if he is in training is probably at Louisville.

WOULD HAVE SUPERVISION OF BETTING.

The Marquis of Queensbury, who became a member of the sporting staff of the Chicago Tribune, seems to be in perfect accord with the ideas entertained by many broad-minded Americans as to the proper manner of dealing with the subject of betting on the race tracks. Unfortunately, American political leaders appear to lack the courage or wisdom required for putting into effect such legislation as the Marquis proposes in an article recently published in the Tribune over his signature, from which the following excerpts are taken.

"It seems to be a popular impression that sport must necessarily be associated with gambling. This is not so. Gambling is not by any means necessary to sport, and many sportsmen and prominent owners of race horses never made a bet in their lives, and follow sport in all its branches for the pure love of the game.

"Of course, in racing it is practically impossible to eliminate gambling entirely, or rather the backing of horses to win. Racing is a business the same as any other business, and owners in many cases must make their stables pay. And for the life of me I cannot see the difference between your money on an animal that has cost you an enormous lot of money to rear and train and buying a large amount of mining stock in someone else's mine, or, for that matter, of that insuring risks on lives and ships.

"After all, in plain English, an insurance company gambles on life and risks on a business basis just the same as the owner of a Derby horse puts money on his horse in the hope of its winning and recouping him for some of his outlay.

"I think France has got betting down to its proper level. The totalization system there is absolutely perfect. No one can hurt himself, as every bet must be made in ready money, and you bet with the government, so your money is safe. A certain percentage of the gross receipts is devoted to charitable institutions and the balance given to the advancement of scientific horse breeding.

"In England there is a large amount of betting on football matches, but it is strictly illegal and mostly conducted from agencies in Holland or Switzerland. I altogether disapprove of betting on football and similarly on baseball. On the latter game I understand there is little betting.

"But the plain fact is that people will gamble on some form or another. If they can't bet on horses they will bet on wheat or oats or coal or hogs, and where is the difference? I think what a government ought to do is to legalize it in some form, as it is done in France, and then half the evils are swept away.

"In Italy public gaming is conducted by the government in every department in the form of weekly lotteries, perfectly fair and perfectly managed, so that the poorer classes can have their little gamble of a sum as low as, I believe, even 10 cents, and yet have a chance of winning quite a large sum."
